

GROWEXA AI

AI CUSTOMER PROFIT
OPTIMIZATION ENGINE

GROWEXA IS AN AI-POWERED CUSTOMER PROFIT
OPTIMIZATION ENGINE THAT INTELLIGENTLY ANALYZES
CUSTOMER PURCHASING BEHAVIOR AND DETERMINES THE
RIGHT MARKETING STRATEGY FOR EVERY CUSTOMER.

INDUSTRY TARGETED

- E-COMMERCE & RETAIL
- FASHION BRANDS
- ELECTRONICS RETAILERS
- GROCERY DELIVERY PLATFORMS
- D2C BRANDS

CURRENT CHALLENGE

- SAME EMAILS SENT TO ALL CUSTOMERS
- SAME DISCOUNTS OFFERED TO EVERYONE
- GENERIC ADVERTISING CAMPAIGNS
- NO PERSONALIZATION IN DECISION-MAKING

BUSINESS IMPACT

- WASTED MARKETING BUDGET
- REDUCED PROFIT MARGINS
- LOW CUSTOMER ENGAGEMENT
- POOR CONVERSION RATES
- HIGH CUSTOMER ACQUISITION COSTS
-

CURRENT WORKFLOW & LIMITATIONS

Existing Process

1. Customer visits website
2. Customer browses products
3. Marketing team creates a common campaign
4. Same promotion sent to all customers
5. Fixed discount offered
6. Customer decides whether to purchase

Limitations

- ✗ No customer-level analysis
- ✗ Unnecessary discounts
- ✗ Marketing and pricing work separately
- ✗ No prediction of purchase intent
- ✗ Low ROI on marketing spend

Example:

A company offers a 20% discount to 10,000 customers.

- 4,000 would buy anyway
- 3,000 only need a reminder
- Only 3,000 actually need a discount

Result: Significant profit loss.

PROPOSED SOLUTION

AI CUSTOMER PROFIT OPTIMIZATION ENGINE

An AI-powered platform that analyzes:

- Purchase History
- Browsing Behaviour
- Cart Abandonment Data
- Spending Patterns
- Product Preferences
- Previous Campaign Responses

AI Automatically Decides

-  Which product to recommend
-  Which channel to use
-  Best time to contact customer
-  Whether a discount is needed
-  Optimal discount percentage

PROPOSED SOLUTION

AI CUSTOMER PROFIT OPTIMIZATION ENGINE

GROWEXA USES AI TO:

- UPLOAD & ANALYZE CUSTOMER CSV
- SEGMENT CUSTOMERS
- RECOMMEND DISCOUNTS
- BUILD CAMPAIGNS
- SEND PERSONALIZED WHATSAPP/EMAIL
- PROVIDE AI INSIGHTS
